

PROGRESS TOWARD OUR COMMITMENTS 2020/2021

The following chart reports our progress towards our global 2030 *Kellogg's Better Days*® commitment to address the interconnected issues of health, food security and climate by creating Better Days for 3 billion people by the end of 2030. It also includes progress towards our aspirational equity, diversity and inclusion (ED&I) goals that are part of our ED&I strategy.

Additional information on how we're nourishing with our foods, feeding people in need and nurturing our planet, all while living our founder's values, is included on our [Corporate Responsibility website](#) and [GRI and SASB indices](#). All commitments are global and conclude at the end of 2030, with a 2015 baseline, unless otherwise noted. Full descriptions of the methodology for each KPI can be found [here](#).

CORPORATE RESPONSIBILITY GOVERNANCE

Kellogg Company's Social Responsibility and Public Policy Committee of the Board of Directors oversees our corporate responsibility strategy. Our Senior Vice President (SVP) of Global Corporate Affairs, who reports to the Chairman and Chief Executive Officer (CEO), is responsible for successfully implementing the strategy and regularly updating the CEO and Board committee. Our Chief Sustainability Officer (CSO) reports to the SVP of Global Corporate Affairs. Additionally, numerous leaders are accountable for achieving specific corporate responsibility commitments, based on their roles. Our CEO, SVP, CSO and other leaders have annual performance goals tied to the company's Corporate Responsibility metrics.
